OI' 927 ~ B-24A Liberator

*Imagine 1944, crawling up into a B-24 Liberator. You are one of a ten man crew, young, far from home, climbing to altitude, 20 degrees below zero, flying missions in the fight to defeat tyranny and defend freedom. Experience flight on the **Commemorative Air Force B-24A Liberator**. Hear the rumble and roar of the engines, feel the wind in your face. Honor patriotism, freedom, and the men and women who sacrificed so much. Your flight donation helps to keep this historic aircraft in flying condition for future generations.*

Built in 1941, the 25th of over 18,000 Liberators produced, she is one of two B-24s left flying. Rides and Tours are staged at **Cavanaugh Flight Museum, Addison, Texas** on select weekends from April – November 2009. See our schedule at www.cafb29b24.org
